## **PROBLEM:**

Several sinusoidal signals are plotted below. For each plot (a)–(c), determine the amplitude, phase (in radians) and frequency (in Hz). Write your answers in the following table:

PLOT (a) (b) (c)

	PLOT	(a)	(D)	(C)		
	AMPLITUDE					
	PHASE					
	(in radians)					
	FREQUENCY					
	(in Hz)					
•		6				
	(0)					
	(a)	2				
	x(t)	- Till 🔪 🗎 🔠 🗎				/
	×		/
